TUCK'S POST CARD

CARTE POSTALE — POSTKARTE.

By Appointment

Eisenach. Luther's Room, situated in the Wartburg, is pointed out to visitors as the residence of Luther from May 4th 1521 to March 6th 1522 where he lived as "Junker Georg" and performed his great work of translating the Bible into the vulgar tongue. The furniture is still left as it was at that time, which adds to the interest of the apartment.

(For Address Only.)

Processed in Bavaria
